

## UWHA June 2010 Minutes

1. Members Present: Maya Narayanan (Internal Medicine), Tristan Shankara (Anesthesiology), Arul Krishnan (Anesthesiology), Luke Parr (Anesthesiology), Monirath Saly (Anesthesiology), Raymond Bailie (Anesthesiology), Stacy Westerman (Internal Medicine), Alik Widge (Psychiatry)

### 2. UWHA Meeting

Thanks to everybody who came to the UWHA meeting at the Ram Brewery. We spent \$156 on dinner, so everybody's meal was paid for. We also distributed Mariners' tickets for the upcoming month's games to those present. The next meeting will be on Tuesday, July 13. The location is to be determined.

### 3. Intern Welcoming Party

The intern welcoming party will be the evening of June 24. We are considering Twist, the Duchess, and Eastlake Bar and Grill. All residents are invited. More information will follow later this month.

### 4. Page forwarding

The new paging system is already being used on the UW and HMC medicine wards as well as in the UW SICU. We are currently working to train the chiefs from each of the departments. To use the forwarding service you need to update your information on CORES. To do this, log on to CORES, open my preferences, go to my pager, and add your number to the system. We will put more information on how to use the forwarding system on the website.

### 5. HMC Lounge

Jasmine Zia is meeting with Dr. Harlin this Friday to discuss the possibility of a lounge at Harborview. We will email out a catalyst survey about who would use a lounge at Harborview in the coming weeks. We encourage all residents and fellows to respond to this survey.

### 6. Crow's nest

We continue to look for ways to improve the Crow's nest. We discussed adding a coffee machine to the lounge or stocking drinks in the refrigerator. Further suggestions are welcome.

### 7. Medhub

There have been a few concerns raised about medhub. The most common complaint is about not being able to enter duty hours after 2 weeks. There have also been issues about updating information when people switch teams. We will discuss these issues with our medhub affiliate. If any further issues arise, feel free to let us know.

If you have any questions or concerns about these minutes, please feel free to contact any member of the executive committee.

Regards,  
Luke
